This report is for informational purposes only and should not be used to diagnose, treat or prevent any disease. Results are only for samples and batches indicated. Results are reported on a "as received" basis, unless indicated otherwise. When a pass/fail status is reported, that status is intended to be in accordance with federal, state and local laws which are required for the customer to be in compliance. The measurement of uncertainty is not included in the pass/fail evaluation unless explicitly required by federal, state or local law and has been reported on the certificate of analysis. Measurement of uncertainty is available upon request.
